## How you can get involved & communication channels!

FLAPPS meet in the staff room every Monday and Friday mornings after dropping children off in their classes.

This is to prepare resources for the school classes and discuss and plan fundraisers.

Participation is as and when you can and your help would be greatly appreciated, you can stay as little or as long as you can and we are generally all up to date by no later than 10am.

We welcome any suggestions, ideas and feedback via our email address
