

Linby-cum-Papplewick C.E. Primary School

Charging and Remissions Policy

1. Background

Section 457 of the Education Act 1996 requires each school governing body to draw up, and keep under review, its policies on charging for school activities and any remission arrangements.

2. General Principles

The Governing Body recognises the valuable contribution that a wide range of activities, including school visits, residential experiences and clubs can make towards all aspects of pupil's education. The Governing body would accordingly wish to promote and provide as far as possible such activities as part of a broad and balanced curriculum for the benefit of pupils of the school.

The school, subject to the limited exceptions referred to in this policy, will not charge for education provided during school hours (including the supply of any materials, books, instruments or other equipment).

The schools will inform parents on low incomes and in receipt of the benefits listed of the support available to them when being asked for contributions towards the cost of school visits.

- Income Support
- income-based Jobseeker's Allowance
- income-related Employment and Support Allowance
- support under Part VI of the Immigration and Asylum Act 1999
- the guaranteed element of Pension Credit
- Child Tax Credit (provided there is not also entitlement to Working Tax Credit and have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018 household income must be less than £7,400 a year (after tax and not including any benefits you get)

3. School charging

We will not charge for:

- an admission application - There will be no charge relating to a pupil's admission to school. The ability of parents to contribute to the school, either financially or in any other way is not to be a consideration when deciding whether to admit a pupil. No parent will be asked to make a contribution of any kind prior to a pupil's admission.

- education provided during school hours (including the supply of any materials, books, instruments or other equipment);
- education provided outside school hours if it is part of the national curriculum, or part of a syllabus for a prescribed public examination that the pupil is being prepared for at the school, or part of religious education;
- instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent;
- entry for a prescribed public examination, if the pupil has been prepared for it at the school; and
- examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school.

We may charge for:

- any materials, books, instruments, or equipment, where the child's parent wishes him/her to own them;
- optional extras (see page below);
- music and vocal tuition, in limited circumstances
- certain early years provision
- community facilities

4. Educational activities taking place during school hours

No charge will be made for any activity which takes place during school hours, including any materials, books, instruments or other equipment (excluding clothing) provided in connection with the activity. The cost of such activities will be contained within the funds available to the school, such as the school's budget or school fund.

"School hours" are defined as being those hours during which the school is in session, but excluding the mid-day break.

Clothing is excluded from the definition of 'equipment' under the Education Act.

Thus parents can still be expected to provide items of clothing, such as painting aprons and football boots.

Charges may be made for any additional materials, books, instruments or equipment where the pupil's parent wishes him or her to own them.

5. Educational activities taking place outside school hours

A charge may be made for activities taking place outside school hours EXCEPT where the activities are required either: a) as part of the syllabus of a prescribed public examination; or b) to fulfil statutory duties relating to the National Curriculum or religious education in which case no charge will be made, with the exception of board and lodging charges for a residential visit.

Parents of participating students will not be asked to subsidise other students taking part in the visit.

The cost of any students whom the charge for a school activity has been remitted will be met from the school's budget or school fund.

An amount may be charged in relation to

- a) any materials, books, instruments or equipment provided in connection with the optional extra;
- b) teaching staff employed to provide tuition in playing a musical instrument or vocal tuition, where the tuition is an optional extra.

The cost of any teacher employed by the governors will not be charged to participating students. Teachers who organise or participate in such visits do so as a voluntary activity and it is the policy of the Governing Body not to make additional payments to teachers for such activities. However, the Governing Body is grateful to the large number of teachers who continue to volunteer in this way and it is important to note that costs incurred by teachers in providing the optional extra may be included in the charge to students.

A pupil's participation in any 'optional extra' will be a matter for parental choice and on the basis of their willingness to meet any charges which are applicable.

The agreement of parents is therefore a necessary prerequisite to a pupil's inclusion in any such activity.

6. Transport

No charge may be made for any transport provided to convey students between school sites, or between the school and any other place where educational provision has been arranged by the school or LA during school hours, e.g. swimming pools, off-site playing fields or sports centres, other schools under consortium arrangements or colleges or further education under a link scheme.

7. School visits and other activities taking place partly during and partly outside school hours

Many school visits and other activities will inevitably take place partly during and partly outside school hours. The Act therefore provides a basis for determining whether an activity is deemed to take place wholly during or wholly outside school hours for the purposes of charging arrangements. A day visit or activity is deemed to take place during school hours if 50% or more of the time spent on the activity, including any connected travel, occurs during school hours. In those circumstances no charges may be made for anything connected with the visit or activity, including transport and admission to places of interest. The cost of such a visit or activity will be made from within the funds at the school's disposal.

8. Residential visits and activities

A residential visit or activity is defined as being one which involves students spending one or more nights away from home. Such a visit or activity is deemed to take place during school hours if the number of school sessions taken up by the visit or activity is 50% or more of the number of half days involved (in this connection a

'half day' is defined as any period of 12 hours ending at noon or midnight on any day.) Thus a residential trip taking place in term-time from noon on Wednesday to 9.00pm on Sunday (9 half days; 5 school sessions) would be regarded as taking place during school hours; a trip lasting from noon on Thursday to 9.00pm on Sunday (7 half days; 3 school sessions) would not.

If a residential visit or activity is deemed to take place during school hours no charge will be made **except for board and lodgings**. This charge must not exceed the actual cost of the board and lodgings provided and cannot include the cost of alternative provision – including supply teacher cover – for those students who do not wish to participate.

Remission applies if a pupil's parents are eligible for:-

- Income Support (or Universal Credit),
- Income –based Job Seeker's Allowance,
- An income-related employment and support allowance,
- Support under Part V1 of the Immigration and Asylum Act 1999,
- Child Tax Credit, provided that Working Tax Credit is not received and the family's annual income (as assessed by HM Revenue and Customs) does not exceed £16,190 (financial year 2013/14),
- The Guarantee element of State Pension Credit.

If a day or residential visit or activity is deemed to take place outside school hours an appropriate charge will be made unless the visit or activity is required either: a) as part of the syllabus of a prescribed public examination; or b) to fulfil statutory duties to the National Curriculum or religious education, in which case no charge will be made, with the exception of board and lodgings charges for students involved in residential visits or activities.

These charges, too, will be wholly remitted if a pupil's parents are eligible for one or other of the benefits listed above AND the visit or activity forms part of the syllabus of a prescribed public examination or is provided specifically to fulfil statutory duties under the national curriculum or relating to religious education. It will be seen above that it will be necessary in some circumstances to identify students whose parents are in receipt of certain benefits if charges are to be made for the board and lodging element of a residential visit. The school may not be immediately aware of all cases where parents are in receipts of these benefits. It will be necessary, therefore, when a school proposes arranging an activity for which a charge for board and lodging can be made and where statutory remission arrangements apply, for the parents of all the participating students to be advised of the statutory entitlement to remission. This will ensure that those parents in receipt of these benefits are aware of their entitlement and have the opportunity to claim remission.

9. Music Provision

No charge will be made for class music tuition during school hours. Music tuition, whether group or individual, forming part of the syllabus for a prescribed public examination or required by the National Curriculum will also be free, whether it is

provided during or outside school hours. No charge will be made for group musical activities, e.g. school orchestras, which take place during school hours. Individual music and vocal tuition not forming part of the syllabus of a prescribed public examination or required by the National Curriculum, may be charged for, provided parental agreement is obtained before a pupil is given the tuition. The charge can include the cost of the teacher giving the tuition as well as the cost of sheet music and the hire and insurance of a musical instrument. This is the only activity taking place wholly during school hours for which a charge may be made. The cost of tuition for groups of 5 or more students will be met by the school.

10. Voluntary contributions

The restrictions on charging for activities do not in any way prohibit the school from seeking voluntary contributions from parents for the benefit of the school or towards any school activities. Any such contributions must, however be genuinely voluntary. It will therefore be made clear to parents if contributions are requested that:- a) there is no obligation to contribute; and b) students will not be treated differently according to whether or not their parents have contributed. Thus, for example, parents may be invited to make a contribution towards a school visit planned to take place during school hours but no pupil may be omitted from the visit if the pupil's parents decline to contribute for whatever reason. If an activity cannot take place without voluntary contributions, this should be made clear to parents. An initial letter to parents in those circumstances could explain the nature of the proposed activity and its educational value. The letter should indicate the contribution per pupil which would be required if the activity were to take place. It should also emphasise that there would be no obligation to contribute and that no pupil would be excluded from the activity because his or her parents were unwilling or unable to contribute. However, the letter should make it clear that the activity would not take place if insufficient parents were able to support it. There is no limit to the level of voluntary contribution which parents or others can make towards school activities. A request for a contribution towards the cost of a school visit could, for example, include an element to cover the cost of subsidising students from low income families or the costs incurred by accompanying teachers.

11. Breakages and fines

Parents will be asked to pay for the cost of any damage resulting from a pupil's misbehaviour. This action forms as part of the school's discipline code.

12. Review

The School Governing Body reserves the right to review and amend this policy statement from time to time, as appropriate.

November 2020.
