

Linby & Papplewick Primary School

November 2021

Dear Parents/Carers

COVID CASES IN SCHOOL

The cases of Covid in school now seem to have plateaued/stabilised. We will continually reassess risks and adopt commensurate Covid 19 secure measures in consultation with Public Health. This includes good ventilation in the classrooms. To improve ventilation we have windows open (heating is on). **Please could you make sure your children have extra layers of clothing** to help them to keep warm (vests/school cardigans/school sweatshirts/coats etc.).

CHRISTMAS CELEBRATIONS IN SCHOOL

We will be enjoying special activities for Christmas in school as usual - we have planned a full calendar of Christmas events. However, the way these are run will be continually reviewed and risk assessed in the light of the covid outbreak in school.

Following are our provisional date for various Christmas events to pencil into your diaries. These may need to take place in modified/different ways dependent on how the situation in school, locally and nationally develops. We will keep you informed as and when we are in a position to make decisions on the details.

We appreciate your patience to understanding.
