Thursday 2nd December 2021

Dear Parents

INFANT CHRISTMAS NATIVITY 2021

We are really pleased to share that the cases of Covid in school have significantly reduced over the last week.

However, because of the impact of the outbreak and the measures that we have had to put in place from our outbreak management plan it would not be possible for us to stage live performances of the nativity - instead we have decided to film the infant nativity for families to watch & enjoy at home.

The finished product will be available on a hosted, secure online platform which will be password protected, meaning that only those in possession of a valid password will be able to view and stream it. The production will not have the option to download and will only be available until January 4th 2021 at which point it will be removed. We also plan to enable the residents at Sherwood House to watch the video.

In order for your child to take part it is important that we have your consent to film him/her and to stream the video that we will be sharing online, in the aforementioned secure way.

Please ensure that you complete and return the consent [FORM](#) as soon as possible and no later than Monday 6th December by clicking on hyperlink [FORM](#).

Thank you,

Mr Conidi
