*'Jesus Christ is the same yesterday and today and forever.'* (Heb 13:8)

*May you know the peace & joy that comes from a steadfast hope in Christ Jesus*

*With love from Linby cum Papplewick Primary School*

*Dear Lord,*

*Thank you for our world and the different cultures around the world, for creating us and for the love of the Christmas gift.*

*We pray that the world knows your love & peace this Christmas and becomes a better place. We pray that food is shared with all countries. We pray for: the homeless; for people without enough food or drink; the unemployed; those in need of money or support; for those ill in hospital and at home; for those who have fought for us in conflicts to bring justice to our world; and for those in need of love and that are unhappy. Please bless all the people who are suffering with poor mental health. We pray that each person feels special about themselves, loves who they are and finds their direction in life.*

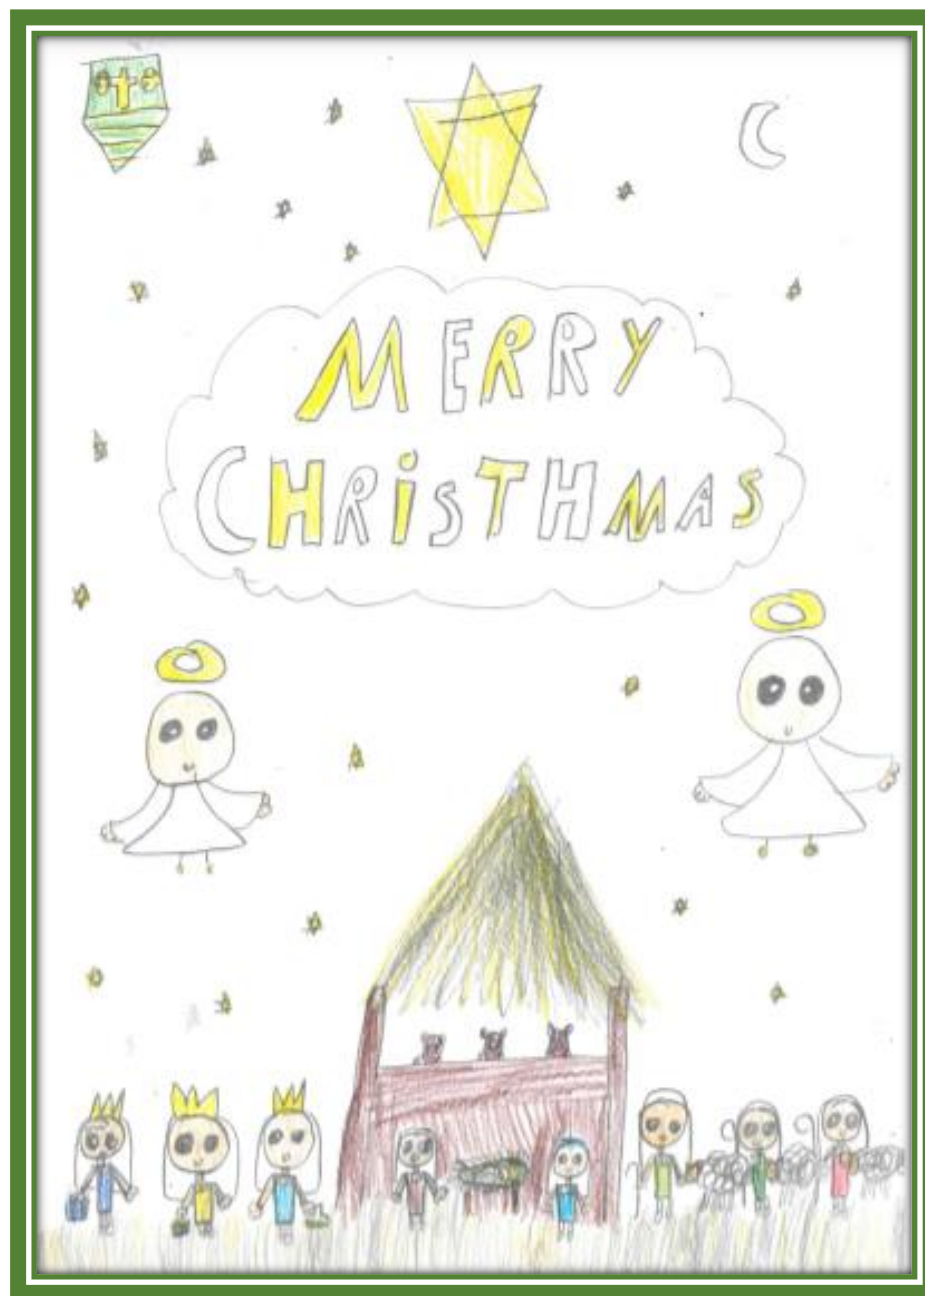

*We pray that the 'Shoe Box' Christmas gifts we have provided fill the children who receive them with joy.*

*Fill us with compassion... help us to put someone else's shoes on this Christmas.*

*We pray that everyone will feel loved and cared for this Christmas & be happy.*

*Amen*
