Southwell Ploughing Match and Show

Details about this annual event, and how your children can take part, are in the attached letter.

SENCo

We are very pleased to be welcoming Mrs McBrown to join our team as SENCo (Special Educational Needs Coordinator). There will be an opportunity for the parents of children with additional needs to meet Mrs McBrown in October where she will discuss the provision going forward. She is looking forward to meeting you all and is excited to be sharing her future plans for Linby.

Oak class permissions

As the children become older and more independent we understand that they may want to walk down to the cross in the village and meet you there after school. If your child wishes to do this, please can you email the school with your permission for them to do so – please email oakt@linby.notts.sch.uk and office@linby.notts.sch.uk

Healthy Families

Finally we extend our very warm welcome to our new reception children and their families. Please find attached a letter from the Healthy Families team with details about their service for your information.

Finally we are very aware of the current economic climate and the effect that this may have on our families. If you feel your circumstances have changed and you would like to discuss any avenues of additional support available to you please do get in touch with the office and we can point you in the right direction.

There will be no Goodwork assembly this week; we will hold the first of the new format assemblies next Friday 16th September.

Kind regards

Rachel Hodge and Natasha Murray
