Dropping off and Collection Policy

Policy date: January 2024

Approved by Governors: January 2024

Policy review date: January 2025

Written by: Natasha Murray

Definitions

For the purposes of this Policy and procedures a child, young person, pupil or student is referred to as a 'child' or a 'pupil' and they are normally under 18 years of age. Wherever the term 'parent' is used this includes any person with parental authority over the child concerned e.g. carers, legal guardians etc.

Introduction

In order to safeguard our pupils at Linby cum Papplewick C of E Primary School it is essential that the school ensures all children arrive at and leave school at the end of the day with a safe adult. We appreciate that for many families, arrangements need to be flexible and it may be that a few people care for the child after school. Sometimes there will be 'one-off' arrangements. For this reason, we have set out clear procedures, which all staff and parents/carers must adhere to.

General Collection Arrangements

- Children are to be collected at the end of the school day from their child's class teacher or the teacher supervising the class at the time.
- Teachers in EYFS, Years 1 – 4 will dismiss children from the classroom upon seeing the agreed collecting adult. Children in Year 5 and 6 will leave the classroom and find their adult on the playground. If an adult has not arrived, the child is to come back to their class teacher/member of staff.
- Children are not to be released from school with someone if they are showing signs of distress or anxiety.
- Children are not to be released if the teacher feels that the parent is not in a fit state to ensure their child's safety. This will be immediately reported to the Designated Safeguarding Lead in school.
- In an emergency/ unplanned situation two members of staff may take a child home to their parent or legal guardian. In this case, the Designated Safeguarding Lead will be informed first.

Late Collection Procedure

- When a child has not been collected by home time, the child is taken to the school office.
- The office administrator will make contact with the parents by telephone.
- If parents are unavailable, the emergency contact is called.
- When a child has not been collected by 4.00 pm (in exceptional circumstances, or 3:45pm for those who are late more than twice in a term), the child is enrolled within the After-School club. The parent is liable to pay the cost for this service.
- If we are unable to make contact with anyone on the emergency contact list by 4:15pm, Social Services will be informed in order to make arrangements for the safe collection of the child.
- Lateness of collection is monitored by the school. The school may share information with regard to persistent lateness with the Educational Welfare Officer or Children's Social Care.

Non Parents Collecting Your Child

- A child's parents must have provided clear verbal or written permission to the class teacher/office administrator for children to be released to an adult who is not the parents or carers of the child. This permission must be given with a description of the person collecting (if not already known to the school). Where possible, this person will be introduced to the class teacher in advance of the first collection.
- If any member of staff is unsure of the adult's identity, they may ask to see identification. If, after checking identification, there is any uncertainty about the person collecting, the member of staff should take the child to the school office and contact the parents by telephone to seek further guidance/advice and inform the Heads of School.
- If the parents/carers are not contactable then the member of staff should refer to the procedures for children uncollected from school.

Children Travelling Home Independently

"There is no law prohibiting children from being out on their own at any age. It is a matter of judgement for parents to decide when children can play out on their own, walk to the shops or school". (Is it legal? A parent's guide to the law by the Family and Parenting Institute -June 2011).

The NSPCC advise the following:

- **Children under 8 should not be outdoors for a considerable length of time unaccompanied**
- **Children under the age of 12 should not be home alone for more than a very short period of time**

Only children in Years 5 and 6 are allowed to leave school independently to walk into the village or, in some circumstances home, provided parental consent has been given in writing. The school keeps a register of children who have permission to travel to and from school independently which is shared with the child's class teacher. Children must notify the class teacher when leaving school. The children will always be encouraged to walk home together in pairs.

If a child should not arrive home at the expected time the parent/carer is expected to notify the school immediately. These permissions only apply to children leaving school at the end of the school day: any child leaving school early (e.g. for medical reasons) or leaving school later than normal home time (e.g. after-school event) must be collected by a responsible adult.

Early Collection Procedure

Whenever pupils need to be collected before their formal dismissal time, parents/carers must provide prior notification by writing or by telephoning the school. This is to ensure that the class teacher is notified and therefore has sufficient time to distribute any homework/notices.

At the time of early collection, parents/carers must report to the school office. Parents/carers are required to sign the child out with the time that the child is being collected. Office staff will notify teachers that the parent/carer has arrived to collect the pupil. Parents/carers are kindly requested to wait in the office area for their child to arrive from the class.

The School recognises that at times, pupils will need to attend appointments (including medical appointments) during the school day. In such cases, parents/carers are welcome to collect their child for the appointment and then return them to school during the school day. Parents are required to sign their child out of school. The office will ensure that the child is signed out of school when leaving the premises. When parents return their child to school, they must report the child's return to the school office so that the school is aware that the child has returned and is back on the school premises. The office will ensure the child is signed back into school upon their return.

Supervision in the School Grounds

Parents should note that the school does not provide a member of staff to supervise children before the doors open at 8:40 a.m. (unless the children are part of the agreed before school club) or after 3:30pm (unless children are attending an after-school clubs organised by the school). Therefore, the welfare of children until/after that time is the responsibility of parents. Children should not be dropped off and left on the playground unsupervised. If this happens the children will be placed in before school club and parents will be billed accordingly. However, if a problem or difficulty arises and it is brought to the attention of the school, the school will intervene, e.g. if a child falls and hurts themselves the school will provide medical assistance. Children **are not permitted** to play on the field or on the playground equipment (e.g. the woodland trim trail) before or after school and should stand with their adult.

Parental Responsibility

The school acknowledges that those with Parental Responsibility have a legal right to collect their children from school which will be respected by the school. In the event of any dispute, it is the responsibility of the parents to notify the school of the arrangements that have been made. The school will of course comply with any court orders that may be in place.
